Subject: Submission 556 Grassdale Road, Cecil plains

Hi guys,

Council are in the process of considering public submissions received in response to the Grassdale feedlot expansion. The submission attached makes reference to a number of odour complaints made to DAF. Can you please confirm if DAF has ever validated odour nuisance in the course of investigating these complaints.

Also could DAF please advise the status of the associated Environmental Authority application.

Regards,

Dan Savill

Amendment of an environmental authority to correct a clerical or formal error

1. Environmental authority details

Environmental authority number 2017-22 dated 19 July 2017.

Land description: Lot 26 Survey Plan 216179.

2. Amendment

The administering authority has become aware that there are clerical errors on the environmental authority that require correction. These corrections are minor in nature and will not adversely impact your or anyone else's interests. As a result, the following amendments have been made to your environmental authority:

G16	Animal carcasses shall be disposed of so as not to cause environmental harm or nuisance . The permeability of the base of composting areas must not exceed 0.1mm/day. The permeability of burial pits must not exceed 0.1mm/day. Carcasses must, at all times, be covered with a minimum of 300mm of soil or organic material.
