Hi all,

I understand we are waiting for confirmation of registrations before sending our EDM out to industry. Can you please also confirm that the interim program is able to be added to the public website? Just noting that we will need to have it live before we send the EDM out.

Thanks 😊

Subject: LG Conference and Survey Update 2/02 and Action Items

Hi all,

Thank you for a productive meeting today 😊 As discussed, we have agreed to have speakers finalised by the **13 February**, for distribution of the conference program sometime that week. Nicole, Joanne, and I also discussed offline the workshoping sessions, and we will look to provide some more detail on these to publish in the final program.

I forgot to follow up in the meeting today about catching up in person for our workshop session on the 23 February here at 400 George. Let me know if LGAQ are interested (I hope then Taxis are operating 😝). We also think it would be valuable to have QHC Chair [redacted] Irrelevant [redacted] Irrelevant for us for that meeting as she has agreed to facilitate the workshop sessions on Day 2. Please advise if you're comfortable with us inviting her along.

I will look to provide LGAQ a copy of the survey results when Nicole has returned [redacted] Irrelevant [redacted] and once Joanne and I have confirmed survey

results with Mackay.

I have also put together the agreed action items from today. Please see these below. Let me know if I am missing anything.

Action Items 2/02:

- LGAQ to add interim program to the public events page and add information on heritage consultants attendance (day 1 only) **COB 3/02**
- LGAQ to provide update on conference registrations **COB 7/02**
- DES to send out heritage consultants email **pending registration update 7/02**
- DES to update speaker's database **COB 3/02**
- DES to consider alternative speakers for tourism presentation, disaster risk management presentation and 1 local government showcase- provide this to LGAQ- **COB 7/02**
- LGAQ to follow up on speaker confirmation emails from DES
- DES to review heritage consultants list and remove speakers- **pending registrations update 7/02**
- DES to consider contacts for local government officers, to follow up on completing the survey
- LGAQ to reach out to Mackay on councillor/presenter situation
- DES to follow up with 49-96 live streaming options- **COB 8/02**

Attachment : Attendee List 15 February.xlsx;image001.png;image002.png;

Hi Catherine,

LGAQ have kindly provided us with an update on the conference registrations. Please find this spreadsheet attached.

Joanne and I thought we would raise with you that a few additional councillors have registered to attend the conference. So far these are 73(2) Irrelevant Mackay, 73(2) Irrelevant Redlands, and 73(2) Irrelevant Rockhampton. We also have CEO and Deputy Mayor of Croydon.

Happy to chat about this in more detail when Nicole is back 73(2) Irrelevant as we may have to think about how to approach this in the workshops.
