

Fisheries Act 1994

General fisheries permit

5 November 2018

sch4p4(6) Personal information

sch4p4(6) Personal information

Delegate of the Chief Executive
Department of Agriculture and
Fisheries

Permit Number	Issue Date	Expiry Date
197723	1 July 2018	30 June 2028

AUTHORISED ACTIVITIES

The holder of this permit is authorised to:

1. Take and possess sharks in the operation of the authorised fishing apparatus (see Note 2) specified in the Shark Control Program (SCP) agreement (see Note 1) for the period 1 July 2018 until 30 June 2028.
2. This permit extends to the holder and nominated key personnel of the holder as approved by the Manager SCP.

CONDITIONS

The holder:

1. May only use the vessel(s) nominated in the agreement (see Note 1) for servicing authorised fishing apparatus (see Note 2) for Tannum Sands. The holder must have an approved deed of variance to include another vessel before it is put into service or remove an existing nominated vessel in the agreement.
2. May apply in writing to the Manager SCP for approval to perform other work activities from a nominated vessel.
3. May conduct recreational fishing and other work activities from a nominated vessel provided the holder is not engaged in SCP activities. This includes:
 - . being logged off from the Field Officer Safety System (FOSS) and the iPad App scheduled daily Work Plan for servicing the authorised fishing apparatus (see Note 2),
 - . not possessing on board any product taken under this permit for the purpose of disposal in accordance Clause 7,
 - . not possessing on board any samples taken for research purposes,
 - . any authorised fishing apparatus (see Note 2) onboard the vessel must be stowed and secured.

Level 5, 41 George Street,
Brisbane
GPO Box 2764 Brisbane
Queensland 4001 Australia

4. Is only permitted to use bait which is provided by the Department of Agriculture and Fisheries (DAF).
5. Is required to update the list of key personnel on the approved form to the Manager SCP.
6. May assist with approved collaborative research projects in accordance with written directions from the Manager SCP. This includes,
 - . Trialing all bycatch mitigation technology as required,
 - . Collect shark samples as required,
 - . Tag sharks as required,
 - . Release sharks as required.
7. May retain all dead marine life taken under this permit for the purpose of disposal in accordance with Marine Parks Permit G17/33288.1 (see Note 3).
8. If required, will euthanise all marine life humanely.
9. Is permitted to use a licenced firearm to euthanise sharks caught in the operation of the authorised fishing apparatus (see Note 2). The holder must comply with State Government Weapons Licensing legislation.
10. Must not euthanise any live protected species without first obtaining written permission from the Manager SCP.
11. Must comply with Administrative Directive 17/03 - Shark Control Program - Storage of items at departmental and non-departmental sites (see attachment).
12. Must only use authorised fishing apparatus (see Note 2) at locations defined in their agreement (see Note 1).
13. Must repair, maintain, service and clean the authorised fishing apparatus (see Note 2) as specified in their agreement (see Note 1).
14. Must not modify the design of the authorised fishing apparatus (see Note 2) in any way without the prior written permission from the Manager SCP.
15. May store at their residence a limited supply of departmentally owned items related to the SCP. Items include bait, authorised fishing apparatus (see Note 2) and marine animal samples taken under a research permit. Upon request, the holder must make available for inspection any departmentally owned items at their residence. A list of stored items must be provided on the approved form to the Manager SCP prior to storage.
16. Unless authorised, shall not keep, sell, barter, trade and/or exchange any marine species or parts thereof captured in the operation of the authorised fishing apparatus (see Note 2).
17. Must at all times permit DAF employees and authorised persons onboard a nominated vessel.
