Hi everyone,

Please see attached the latest attendee reports for registrations to the Heritage Conference. We have a break down for the walking tour and networking function as well.

In total, we currently have 77 attendees including:

- 43 local government representatives from 21 councils (including $\Re \frac{1}{2}$)|rrelevant (who's not yet on the list)). Mo(2) Irrelation Townsville doesn't look like he's registered yet either.
- 23 industry representatives for Day 1 from 16 organisations (including 73(2) Irrelevant from Qld Heritage Council)
- 5 DES staff and 2 DTMR staff (Note: DSDILGP hasn't yet registered but responses indicate they are intending to present).
- 3 LGAQ staff (one more to be added) + 1 Peak Services representative (Note: 73(2)|rrelevant is currently working on designing a refreshed Heritage training module for the Diploma of Local Government that Peak Services offer to councils)

I have saved this in our shared SharePoint folder as well.

Kind regards

Hi Alvse

I've started saving all the weekly registration reports here - C:\Users CTPI 49-Sch4 Local Government Association of Queensland\Events - 2023\Heritage Forum\Speakers\Attendee reports - please let me know if this link doesn't work.

I will follow up with comms re. program on the website.

I'm not sure if you saw my earlier email about the powerpoint – is it please possible to have a master holding slide to go with the speaker slide already created? Ideally one that features all the artwork and logos (similar to the event page header etc.)

Cheers CTPI 49-Sch4

Hi all,

I understand we are waiting for confirmation of registrations before sending our EDM out to industry. Can you please also confirm that the interim program is able to be added to the public website? Just noting that we will need to have it live before we send the EDM out.

Thanks 😊

Subject: LG Conference and Survey Update 2/02 and Action Items

Hi all,

Thank you for a productive meeting today 😊 As discussed, we have agreed to have speakers finalised by the **13-February**, for distribution of the conference program sometime that week. Nicole, Joanne, and I also discussed offline the workshopping sessions, and we will look to provide some more detail on these to publish in the final program.

I forgot to follow up in the meeting today about catching up in person for our workshop session on the 23 February here at 400 George. Let me know if LGAQ are interested (I hope then Taxis are operating 😝). We also think it would be valuable to have QHC Chais (2) Irrelevant 73(2) Irrelevanion us for that meeting as she has agreed to facilitate the workshop sessions on Day 2. Please advise if you're comfortable with us inviting her along.

I will look to provide LGAQ a copy of the survey results when Nicole has returned frequencies and I have confirmed survey results with Mackay.

I have also put together the agreed action items from today. Please see these below. Let me know if I am missing anything.

Action Items 2/02:

- LGAQ to add interim program to the public events page and add information on heritage consultants' attendance (day 1 only) COB 3/02
- LGAQ to provide update on conference registrations COB 7/02
- DES to send out heritage consultants' email pending registration update 7/02
- DES to update speaker's database COB 3/02
- DES to consider alternative speakers for tourism presentation, disaster risk management presentation and 1 local government showcase- provide this to LGAQ- COB 7/02
- LGAQ to follow up on speaker confirmation emails from DES
- DES to review heritage consultants list and remove speakers- pending registrations update 7/02
- DES to consider contacts for local government officers, to follow up on completing the survey
- LGAQ to reach out to Mackay on councillor/presenter situation
- DES to follow up with 49-96-live streaming options- COB 8/02
