Dear Sir

NOTIFICATIONS UNDER THE CONTAMINATED LAND ACT 1991 /

In accordance with the provisions of the Contaminated Land Act the Council hereby gives notification that it has become aware of or of the likelihood of contaminated land.

The description of the land and the basis for the notification is set out in the attached notification.

The notification is made on the following basis:

- (a) The notification is made out of an abundance of caution to ensure compliance with the Act having regard to the breadth of the definition of contaminated land, the obligation so of section 17 of the Act and the list of prescribed purposes set out in schedule 1 of the Contamination Land Regulations;
- (b) The Council has no knowledge that the land is contaminated;
- (c) The obligation to classify the land on the Contaminated Sites Register rests with the Chief Executive of the Department of Environment and Heritage.

Should further information be required, please do not hesitate to contact Council's Department of Environmental Health Services as referenced above.

Yours faithfully
