E. Applicant's declaration

I, (full name) of

in the State of Queensland, do hereby declare that:

1. I am a primary producer who normally spends more than 50 per cent of my labour on, and derives more than 50 per cent of my gross income from, a primary production enterprise.
2. I am a property owner, sharefarmer or lessee in the grazing industry (beef cattle, sheep, dairy cattle, goats, deer or horses that are not normally hand fed), and I own or lease the property described in section B of this form.
3. The property described in section B of this form is within a state drought-declared area or has a current Individually Droughted Property declaration.
4. No livestock have been introduced onto this property while it is drought-declared or during the 3 period prior to this drought declaration (includes stock taken on for agistment). If livestock have been introduced, it is in accordance with the eligibility criteria as outlined in the *Emergency Water Infrastructure Rebate* guidelines.
5. I have completed a *Water availability statement: Emergency Water Infrastructure Rebate*, which was endorsed by a Department of Agriculture and Fisheries (DAF) officer, a copy of which is enclosed.
6. I have purchased the water infrastructure and incurred associated costs claimed for on this form for the animal welfare needs of permanently located livestock, as a result of the limited availability of water on the property.
7. The water infrastructure I have installed provides water for my livestock only and is not used for any other purpose (i.e. the water is not used for irrigating crops, intensive livestock, human consumption or household use).
8. I have purchased this water infrastructure within 6 months of the date of endorsement on my Water availability statement, unless an extension has been approved by a DAF officer.
9. In order to assess my claim and make an informed decision on my eligibility for drought assistance, DAF will need to confirm the details provided on this form with the details previously provided as a Registered Biosecurity Entity. These details will not be accessed or used for any other purpose other than to assist in assessing this claim. I consent to authorised officers accessing and confirming my details in the Biosecurity Entity Registration System.
10. I have not previously made a claim for the items I have detailed on this form.
11. I understand that any applications submitted under the Drought Relief Assistance Scheme may be subject to audit by DAF or its agents in order to determine compliance with scheme guidelines. By signing this declaration, I understand that I may be asked to provide further information in regards to my application and/or the material submitted with my application and that I may be requested to allow a property inspection by DAF as part of an audit process to determine compliance with scheme guidelines.
12. The information I have provided in this application and in supporting documentation is, to the best of my knowledge, true and accurate. I understand that providing inaccurate, untrue or misleading information may be a breach of criminal law, for which serious penalties may apply. I also understand that if any information I have provided in the application or supporting documentation is found to be inaccurate, untrue or misleading, legal action may be taken against me, including action to recover the subsidy.
13. I have read the *Emergency Water Infrastructure Rebate* guidelines available at www.daf.qld.gov.au, and this application complies with the conditions and requirements detailed in the guidelines.
