

# Software Developer's Directory

This is an alphabetical listing of companies/agencies that produced software for the Australian primary industries sector in 2007. Every effort was made to ensure these details were correct at the time of publication. If you would like to add, delete or edit a listing before the next update of this directory, contact the project team at: [farm.software@dpi.qld.gov.au](mailto:farm.software@dpi.qld.gov.au).
