

The department is committed to working with the EA holders to ensure that appropriate rehabilitation strategies are in place for Ensham Coal Mine, and that the corresponding amount of FA is adequate.

For further advice in relation to this matter or to arrange a meeting to discuss, please contact Kate Bennink, Manager Environmental Services of the department on (07) 4987 9384 or Kate.Bennink@ehp.qld.gov.au.

Yours sincerely
