CAPE YORK HEATHLANDS TRADITIONAL OWNERS SHARE THEIR LOSS AT THE HANDS OF THE STATE

The Traditional Owners of the Heathlands area have been waiting for decades for the return of our homelands.

We believe the State of Queensland has robbed us of our rights, and to this day continues to block us from claiming our legal entitlement to our lands.

Please hear our voices on this video, and please share widely so this injustice can be righted.

Thank you for supporting Heathlands First Nations
