<b>Name of Government body</b> Animal Ethics Committee					
Act or instrument	<i>Animal Care and Protection Act 2001</i> <i>Australian code for the care and use of animals for scientific purposes</i>				
Functions	<ul style="list-style-type: none"> <li>The Act requires that prior to the use of an animal for scientific purposes, a person must be registered as a scientific user and must gain the approval of an Animal Ethics Committee (AEC), constituted under the Australian code for the care and use of animals for scientific purposes (the Code).</li> <li>The AEC considers applications from departmental staff who seek to conduct activities at departmental sites, co-operator (e.g. private landholder) sites and collaborator (e.g., university) sites.</li> <li>The AEC also considers applications from external applicants wishing to conduct activities involving the use of animals for scientific purposes.</li> </ul>				
Achievements	<ul style="list-style-type: none"> <li>In addition to assessing 152 new applications throughout 2021–22, the AEC reviewed and assessed 641 reports on animal use from existing applications. This included 349 annual reports, 161 completion reports and 131 adverse event reports which are required by both the Act and the Code and comprise the statutory monitoring obligations of the AEC. The AEC was also responsible for the ongoing monitoring of active projects by inspecting sites and projects and obtaining other information as needed.</li> <li>The AEC also assessed amendment requests to approved projects. Amendment requests may range from minor to major alterations to a project's approval. Throughout the reporting period, the AEC assessed 183 amendment requests.</li> </ul>				
Financial reporting	Transactions of the entity are accounted for in the department's financial statements.				
<b>Remuneration</b>					
Position	Name	Meetings/sessions attendance	Approved annual, sessional or daily fee	Approved sub-committee fees if applicable	Actual fees received
