Good afternoon Sean,

To assist the Church to respond to the heritage listing application for St Luke's, I would be grateful if the Department could provide me with information about two recently listed properties – the Ashgrove Methodist Church (former) and the Wilston Methodist Memorial Church (former).

For each of these properties, is the Department able to provide me with copies of the listing applications (and supporting material), the submissions received and the chief executive's heritage recommendations? I understand that this information is available on the Department's website during the listing process, but is removed after the decision is made to list or not list the property.

I note that the report prepared by s.73 Irrelevant i in support of the heritage listing application for St Luke's refers specifically to a report prepared by s.73 Irrelevai in nominating the Ashgrove Church (see p.2 and footnote 3 on p.4).

I look forward to receiving your response to this request.

Kind Regards,
