

Fisheries Act 1994

Fisheries Regulation 2008

Fisheries Queensland, a service of the Department of Employment, Economic Development and Innovation

Part 3 – Interfering with a declared Fish Habitat Area

Refer to declared Fish Habitat Area plans for description of boundaries, and the Fish Habitat Management Operational Policy *Management of declared Fish Habitat Areas: departmental policy position (FHMOP002)*- available on the Fisheries Queensland website www.deedi.qld.gov.au, and the *Fisheries Act 1994*, section 76B for more information

Complete the following information and tick boxes and attach further information, where relevant.

1. Proposed location

- Name of declared Fish Habitat Area

Name of nearest waterway and catchment where the proposal is located

Total area of proposed works in hectares / square metres (i.e. include structure footprint and other associated construction disturbance)

- Attach** scaled plan(s) showing:
1. Location of proposed works in relation to easily identified features such as road intersections, creek bends etc.
 2. Footprint of any proposed structures and the total area of works (include disturbance areas required for construction).
 3. Real property boundaries, the levels of Highest Astronomical Tides, Mean High Water Spring Tides and Mean Low Water Spring Tides in relation to item 2 above.
 4. Co-ordinates of the proposed work site (latitude and longitude).
 5. Slope angles of the bed and banks of the tidal area at the proposed site.
 6. Finished levels of the proposed works.
 7. All other structures on the foreshore within 20 metres of the proposed works.

<p>2. Adjacent land</p>	<p>Lot number & Registered Plan number or other tenure description of adjacent land (if relevant)</p> <p><input type="text"/></p> <p>Street address</p> <p><input type="text"/> <input type="text"/> <input type="text"/></p> <p>Local Government area</p> <p><input type="text"/></p> <p>Tenure over this land (e.g. Freehold*, Unallocated State Land, Leasehold*, Permit to Occupy*, Reserve)</p> <p><input type="text"/> <input type="text"/></p> <p><input type="checkbox"/> *Attach a copy of the Certificate of Title, lease or Permit to Occupy.</p>
<p>3. Details of the proposed works</p> <p>^a E.g. "construction of a jetty to moor a private boat."</p>	<p><input type="checkbox"/> Attach the following additional information:</p> <ol style="list-style-type: none"> 1. Description of, and reason for, the proposed works^a. 2. Detailed description of how the proposed works would be undertaken. 3. Details of any structures to be placed within, or associated with, the application area, and their intended use. 4. Description of the types of tidal land, fish habitats and aquatic floral and faunal communities in the proposed footprint and other areas to be disturbed during construction, and in the general vicinity of the site. 5. Details of how the selected location, design, construction materials, work methods, and timing of works will minimise impacts on the declared Fish Habitat Area, including details of alternatives considered.

Privacy Statement: The Department of Employment, Economic Development and Innovation is collecting the information on this form for applications for a resource allocation authority issued under the *Fisheries Act 1994*. This information is authorised by section 73 of the *Fisheries Act 1994* and Section 210 of the *Fisheries Regulation 2008*. This information will be accessible to the public on the Fisheries Queensland Register of Authorities. Your information will not be disclosed to any other parties unless authorised or required by law.
