Part C - Registers

R1 - Biosecurity Register

I require the information from this register.

Information provided to eligible applicants

If the property is attached to a registered biosecurity entity (RBE) in the Biosecurity Register, the following details can be provided:

- ü The real property description of the land
- ü Name and address of the property
- ü Local Government Area in which the property is situated
- ü Property Identification Code (PIC)
- ü Name, address and contact details of the RBE, land owner and occupier (**subject to consent from each party**)
- ü The approximate numbers of each type of designated animal.

If the property is a restricted place in the Biosecurity Register, the following details can be provided:

- ü The real property description of the land
- ü Name and address of the property
- ü Local Government Area in which the property is situated
- ü Property Identification Code (PIC) - if any
- ü Biosecurity risk
- ü Date of inclusion on the register
- ü How use of the place is to be restricted
- ü Restrictions applying to dealings with designated animals at the place
- ü Restrictions applying to dealings with designated biosecurity matter at the place
- ü Restrictions applying to dealings with carriers of biosecurity matter at the place.

Eligibility requirements

To be eligible for the information above you must provide evidence of consent:

I have attached written (signed) consent from the owner of the place to give the applicant the information (e.g. contract of sale that includes a clause authorising the release of the information)

Separate written (signed) consent from the RBE and/or occupier is required if the RBE and/or occupier is not the owner of the place (property) and you require the RBE and/or occupier's:

- name,
- address; and
- contact details.

I have attached written (signed) consent for the RBE and/or occupier's information stated above.

R2 - Register of Biosecurity Orders

I require the information from this register.

Information provided to eligible applicants

If the property is subject to a biosecurity order in the Register of Biosecurity Orders, the following details can be provided:

- ü The real property description of the land
- ü Local Government Area in which the property is situated
- ü The day the order was given
- ü Information about the biosecurity matter or any other thing to which the order relates
- ü The action required to be taken under the order
- ü The period stated in the order for taking the action.
