I acknowledge that Aboriginal Peoples and Torres Strait Islander Peoples are the Traditional Owners of this country and they retain their relationship and connection to the land, sea and community.
I pay my respects to all Traditional Owners, and to the Elders past, present and the future for land and sea on which I work, live and walk.

CAPE YORK HEATHLANDS TRADITIONAL OWNERS SHARE THEIR LOSS AT THE HANDS OF THE STATE

The Traditional Owners of the Heathlands area have been waiting for decades for the return of our homelands.

We believe the State of Queensland has robbed us of our rights, and to this day continues to block us from claiming our legal entitlement to our lands.

Please hear our voices on this video, and please share widely so this injustice can be righted.

Thank you for supporting Heathlands First Nations
