Dear Mrs Douglas,  
Re: application for permanent road closure, parish of Warwick.

With regard to the letter [REDACTED] Ref: 2014/001335, [REDACTED] lodging an objection to the request that part of McMahons Road is permanently closed.

This section of McMahons Road is currently temporarily closed, and [REDACTED] have no objection to the owner of the property involved, to continue to have grazing rights to that section of the road, as they have had for many years.

[REDACTED] reason for objecting to having it permanently closed is that [REDACTED] to sell land adjoining McMahons Road [REDACTED] and having access from both McMahons Road and Jensens Road will enhance potential sale.

Yours Sincerely,

**RECEIVED**
