Department of Environment and Heritage Protection

Attention: Lindsay Delzoppo

Dear Mr Black

I have re-considered the declaration of the Galilee Coal Project (Waratah) (Shoalwater Bay), as defined in the initial advice statement dated April 2008, as a coordinated project, for which an environmental impact statement is required and I have decided to cancel the declaration.

Note that this is a cancellation of the earlier declared Galilee Coal Project (Waratah), not the project for which the Coordinator-General's evaluation report on the environmental impact statement for the Galilee Coal Project (Northern Export Facility) was completed on 9 August 2013.

Yours sincerely

Barry Broe  
Coordinator-General
