The Region gives its endorsement for the Noosa North Shore Retreat Commercial Activity Permit to be issued - taken in the context of the revised (yet to be seen changes to the) pre TIPA stance as outlined verbally by Paul Sharpe/ Marc Dargusch.

Jamie,

As per advice from Paul Sharpe, please send through a formal email stating that the permit is endorsed to be issued, as the assessment we have here states that it has been refused.

Thank you

Libby

I think I told Amie that I am happy for it to be issued. The assessment stands- it is just the pre TIPA stance that has changed. I think if you attach a paragraph to the assessment stating what this pre TIPA stance is(see Marc/ Simon) - we do not need to alter the assessment at all.

Hi Jamie,

I'm following up on the progress of Noosa North Shore Retreat's CAP. From what I can gather here, the permit was refused because of TIPA and needed to be sent again to you for assessment. Amie, who was looking after things at our end sch4 - Personal information, therefore I'm unsure as to whether she has sent this to you or not. Could you please contact me regarding this as I believe it's becoming rather urgent.
Thanks Jamie.
