Hi Ian,

I spoke to Ms Tina Langford (Manager, Research Ethics and Grants, JCU) earlier this afternoon about having a face to face meeting in Townsville with the Chair of JCU AEC and the researcher to discuss the information received in connection with the above complaint.

Ms Langford advised that the Chair of JCU AEC <sup>49-Sch4</sup> isn't due back for a week or so. Ms Langford will liaise with the Chair of JCU AEC and the researcher to arrange a mutually agreeable date to meet (I'm endeavouring to restrict it to one day if at all possible)

Once we have settled on a date I will forward on the travel application for approval.

Regards,
