

Scientific Use - 2021 General Animal Use Statistics Report (Due 31 May 2022)

Registrant Details

1. Registrant Name:

73(2)Irrelevant

2. Registration Number:

3. Was there any complaint or grievance relating to any activity during 2021?

Yes

Declaration

Please provide details in Complaints Worksheet

I declare that the information provided in this report is true and correct.

WARNING: It is an offence for a person to provide false or misleading information, or to provide a false or misleading document or statement

4. Full Name:

73(2)Irrelevant

5. Position in Organisation:

6. Date:

22-February-2022

For support, please e-mail: animalethics@daf.qld.gov.au or telephone: 07 3708 8813

If there are multiple registrants or multiple AECs in this report, the additional registrants and AECs can be entered into the Activity Details worksheet against the relevant activity.

Last revised: 15 December 2021

Scientific Use - 2021 General Animal Use Statistics Report (Due 31 May 2022)

Select Animal type, Purpose and Category from **drop-down lists** by **clicking** in the cell and selecting the down arrow. If macros are enabled, then you can double click on a cell to see the list in a larger font.
