Important information for applicants

Please use this form if a corporation is intending to apply for an exhibition licence or to renew an exhibition licence.

The Department of Agriculture and Fisheries is collecting your personal information for the purpose of administering and enforcing the provisions of the *Exhibited Animals Act 2015*. You should provide as much information in your application to demonstrate your suitability to hold an exhibition licence. An exhibition licence cannot be issued unless the chief executive of the Department of Agriculture and Fisheries is satisfied that you meet the requirements under the *Exhibited Animals Act 2015*. Information provided to the Department is subject to release under s256 of the Act or as required by law.

It is your responsibility to ensure that you understand the requirements under the *Exhibited Animals Act 2015* and that you provide true and correct information in your application. The legislation can be accessed on the Office of the Queensland Parliamentary Counsel website <http://www.legislation.qld.gov.au/>.

New applicants - management plans for a particular animal or species of animals you intend to exhibit and deal with must be submitted for approval with your application. An approved management plan is essential for the chief executive to approve your application for an exhibition licence.

Renewal applications - Amendments to existing management plans cannot be submitted with a renewal application and must be submitted separately with an Application for Amendment of Exhibition Licence (Corporation).

Renewal deadlines

If the corporation is renewing an exhibition licence you cannot submit an application any earlier than 6 months or any later than 3 months before the term of the exhibition licence ends.

How to complete this form

- Type or use black ink (*block letters*).
- Fill in all parts of the application.
- Attach Management Plans.
- If there is insufficient space on the form, continue your answers on separate sheets, each of which should be signed and attached.
