30 - 50% yellow

4

50 - 70% yellow

5

70 - 90% yellow

6

90 - 100% yellow

Photos by Peter Hofman

Percent (%) yellow refers to the change in background colour from green to yellow. It does not refer to any red blush which does not change after harvest.

黄色度(%)乃是指芒果背景颜色从绿色变为黄色。它不是指任何在果实上的桃红颜色，从采收后果实上的桃红颜色不再改变了。
